BAWC REVIEW GUIDELINES

Version: 1.0

1. Purpose

BAWC evidence may be reviewed for completion and consistency with proposal information.

2. Evidence

The system should verify that required BAWC evidence is available and usable.

3. Identity

Identity-related information should be compared with approved customer information.

4. Video Analysis

Facial expressions should not be treated as direct evidence of honesty or dishonesty.

5. Escalation

Unclear or incomplete BAWC evidence should be referred for human review.
